

KENYA 2024

MAY 1-11

THE VISION OF MISSIONS AT FREEDOM HOUSE

The vision of Freedom House Missions is an extension of the vision of the house, to equip people to experience Christ's freedom in their everyday lives. Through short-term mission trips and partnering with like-minded ministries we can help fulfill the Great Commission and expand our reach to make a greater impact for Christ. Our mission teams partner with organizations where they can help serve the community and strengthen the local church all around the world. Our Senior Pastors believe in the life changing impact of missions and desire for every person at Freedom House Church to experience a mission trip, either nationally or internationally, at least once in their life. Our goal is to have an influence wherever we are, so that our community is sure that, no matter the question, the Church of Jesus Christ is always the answer.

But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the ends of the earth // Acts 1:8
