Dear Mr. & Mrs. Jones,

I have some exciting news! This (put month here), I plan to go on a mission trip to (put country here). I will be a member of a team from Freedom House Church with Crosspoint Missions. We will be serving the people in practical ways such as painting and construction. We will also visit orphanages and elderly care centers. We will do street evangelism and visit the homeless and those in prison. At night we will hold revival services where I will have the opportunity to share my personal testimony with the people. We will pray for them and they will experience God in many ways. Our mission on this trip is to serve people and show them the love of Jesus.

Here you will add in your personal reasons that you feel called to go on a mission trip. Keep this short but personal – people want to support YOU. You may want to include a little more detail about what you will be doing specifically, some examples here:

(Peru) Did you know that there are over 8 million people in Lima? The area of Lima we will be in is called San Juan de Lurigancho where almost 2 million people live, most of whom eat only one meal a day. Many of the women and young girls are verbally, physically and sexually abused by family members, the very people who are suppose to protect them. We will serve the precious people of Peru in many ways by helping to meet their practical needs and showing them the love and hope of Jesus.

(Uganda) Uganda is a beautiful country with beautiful, loving people. We will spend most of our time working with Share the Love orphanage, ministering to the precious children there. We'll host several other community events such as a medical outreach, a women's conference, a children's outreach, local church services and do small service projects for the church and orphanage. Our hearts desire is to meet the practical needs of the people and show them the love and hope of Jesus!

(Tanzania) In Moshi, TZ we will minister with Bill and Amanda Batterson, full-time missionaries from Freedom House. We will serve the Moshi community in a variety of ways, including hosting church services and doing local community service, sharing the love and hope of Jesus everywhere we go.

(South Africa) South Africa grips your heart the moment you step off the plane and I am excited to serve the wonderful people there. We will visit local orphanages and elderly care facilities, prisons and schools and everywhere we go we will share the love and hope of Jesus!

I need your help! If I am called to GO on this trip, then I believe there are those who are called to SEND me. I am hoping you are one of those people. Every little bit helps! The cost to cover my airfare, food, lodging and transportation is (). My 1st payment towards my trip is due by (). I have to have the entire amount raised by (). **Would you pray about helping me?** I know that God will use me in (name of country here) and that I will grow in my faith from this experience. I also know that if you send me, you will receive the same reward.

Checks should be made payable to Crosspoint Ministries. This is a tax-deductible donation, however, in order to comply with tax regulations do not write my name on the check. I have enclosed a self-addressed, stamped envelope you can use to send your offering to me. Thank you in advance for making this dream into a reality for me. I know God will bless you for it!

I look forward to hearing from you.

Yours in Christ,
